### TO OUR GUESTS:

Thank you for choosing Boss Hawg's. We are a family owned, Topeka based barbeque joint. We care about you, our guests, in a way no chain or franchise ever could. You are our friends, neighbors and family, and we appreciate the opportunity to cook for you and serve you Topeka's #1 Award-Winning Barbeque.

To ensure the finest barbeque, Boss Hawg's slow-smokes over select native hardwoods. We buy only the finest, freshest meats, and we make all of our own sides from scratch — including peeling the potatoes for our potato salad each day. These things may take a little more time and cost a little more, but we feel they are important.

We think you will appreciate the difference.

Warmest regards,

**ELIZABETH & FRIENDS**
