# CATERING MENU

## DEAR FRIENDS,

There is a difference in the exceptional quality of barbeque Boss Hawg's provides. We slow-smoke over select native hardwoods for authentic taste. We use only the very finest, freshest meats and ingredients available. Everything is cooked with care and attention to detail by our experienced staff.

You can enjoy the one-of-a-kind taste of Boss Hawg's for your business lunch, company picnic, wedding reception, or private party. We offer a wide range of delicious barbeque and catering services from \$4.49 per person and up. Whether you're looking for a fun meal for the office gang or a casually elegant buffet for your Christmas party, Boss Hawg's has the great food your guests will love.

The people of Northeast Kansas have been enjoying Boss Hawg's award-winning barbeque since our opening in 1995. Since that time, we have been voted Topeka's Best Barbeque 16 years in a row! We have been featured in The New York Times, in barbeque cookbooks, and on television news as far away as Texas. In the June 2000 issue of Maximum Golf Magazine, we were listed as one of the top ten barbeque restaurants in the country.

Please call Boss Hawg's Barbeque & Catering Co. to discuss all your catering needs. We would be delighted to assist you in planning the food for your event.

Warmest regards,

**ELIZABETH & FRIENDS**
